

Tournament Pack – Bloodbowl

Welcome to Compulsion's Bloodbowl Tournament. This year we are running a TV 100 Resurrection tournament (Pick a Starting Team, all injuries are disregarded at the end of the game).

1 Standard skill (Non Double) can be assigned to a player at the end of each game.

Note that Compulsion is a Charity event, the other events are running a system of charity re rolls. In place of charity re rolls, both players should bid for FAME.

Each player makes a separate, secret bid, both of which will be added to the pot for Compulsion's nominated charities. This happens in place of rolling for FAME at the start of the game.

The one who donates most to charity gets FAME. If both donate the same, FAME is shared (+1 each). If one donates double or more than his opponent he gets +2 FAME.

If some miser decides not to donate anything, his opponent will get +2 FAME really easily.

There will be 3 Games played, with room for a 4th round time permitting.

The tournament will be decided by points as below

Result	Points
Win	3
Lose	0
Draw	1

Ties overall will be decided by TD + Cas.

There will be a separate competition for painting.

After the games are finished everybody is welcome to make their way down to the Library Bar for refreshments and Compulsion's closing ceremonies. And then some more refreshments maybe even more after that...
